Voice For Adoption

Recipes & Memories

This cookbook is about food - but it is also about families. It is intended to be used, to get grubby and worn and touched by many loving hands - old and young. Our hope is this cookbook will recall old memories and establish new ones. Our dream is that it will help bring our nation's waiting children to families where they can make a lifetime of happy memories. The cookbook is filled with delicious adoption stories you'll never forget and 445 fabulous recipes you will want to try...after you wipe your eyes.
